CHIEF SECRETARY 9 SEP. 1930

To

N. Madhava Rao, Esq., B.A., B.L.,
Chief Secretary to the Govt. of His Highness the
Maharaja of Mysore, Bangalore.

SIR,

I have the honour to report for the information of Government that the Government of India have approved of a Census being taken of educated persons who are unemployed or not suitably employed - along with the General Census of 1931. I enclose for perusal of Government a printed schedule approved by the Government of India for use in collecting the information. I propose using the same form with a slight modification in the arrangement of the columns and a few alterations in the wording of the instructions on the back of the form as shown in the manuscript herewith sent. The instruction on the form is to the effect that the schedule is to be filled up by male persons literate in English. The Census Commissioner has since intimated that the Schedule may, if the local governments approve, be distributed only to persons who have passed the S.S.L.C. standard. It seems to me that this is a fair standard to be prescribed for the purpose People who read up to the 5th or the 6th form but do not stay on to pass the S.S.L.C. examination should not be considered to have become educated in English and not finding employment, treated as educated unemployed. I request that approval of Government may be obtained to the use of the schedule as in the enclosed manuscript and to the standard of education proposed to be adopted for distributing the schedule.

I have the honour to be,
Sir,
Your most obedient servant,

M. Venkatesaiyengar

CENSUS SUPERINTENDENT.

Unemployment Schedule. (Proposed for the State)

The Schedule on the other side is to be filled up only by male persons who are literate in English and who desire employment but have tried in vain to obtain the employment for which they believe their education has fitted them.

This return is required for the benefit of the general public and of the educated unemployed as well as of the State. Persons receiving the form should therefore fill it in correctly and return it to the enumerator.

To enter false statements is an offence under the Census Regulation and is punishable with fine.

The Schedule should be filled up and handed back to the enumerator at once. If that is impossible it may be returned at any time before February 26th, or given up to the enumerator when he comes round on that date.

Please write very clearly.

Fill this schedule in your own hand-writing after reading carefully the instructions on the other side.

UNEMPLOYMENT SCHEDULE.

The schedule on the other side is to be filled up only by ~~men~~ male persons who are literate in English and who are wishful for employment but have tried in vain to obtain any employment for which their education has fitted them.

This return is required for the benefit of the general public and the educated unemployed as well as of the State, and it is to their interest to fill it in correctly and to return it to the enumerator.

To enter false statements is an offence under the Census Act and is punishable with fine.

This schedule, when filled up, must be handed back to the enumerator. This should be done at once, but if that is impossible it may be returned at any time before February 26th, or it may be given up to the enumerator when he comes round on that date.
